### ***Rebalance your hormones naturally.***

These problems can all be caused by an imbalance in your hormones. This can occur at any age, and at any time of the month. But taking prescription drugs to solve the problem can be expensive and even dangerous.

New **30Plus** is a unique formulation that helps your body rebalance your hormones safely and naturally ... and keep them that way. You will soon feel like your old self and in-control all month long, like these women.

*"I am a 39 year old, active woman. I was beginning to experience mood swings, depression, and just felt tired all the time. I heard about 30Plus from a friend, and within 2 weeks, I had more energy and by the end of 6 weeks, all symptoms were gone. Thank you, 30Plus." -- Carina A., FL*

*"At 42 years old, I figured it was natural to feel tired and exhausted at the end of the day. Then I started getting night sweats and some moodiness. After 3 weeks using 30Plus, I was feeling much better; and now after 2 months, I'm back to my old self." -- Diane P., GA*

*"Hot flashes, night sweats, mood swings, a constant state of being tired. Nothing seemed to help until a friend talked to me about 30Plus. Now after 3 months, I feel alive again and symptoms have subsided." -- Taylor M., LA*
